## Voorwoord

بِسْمِ اللّٰهِ الرَّحْمٰنِ الرَّحِیْمِ

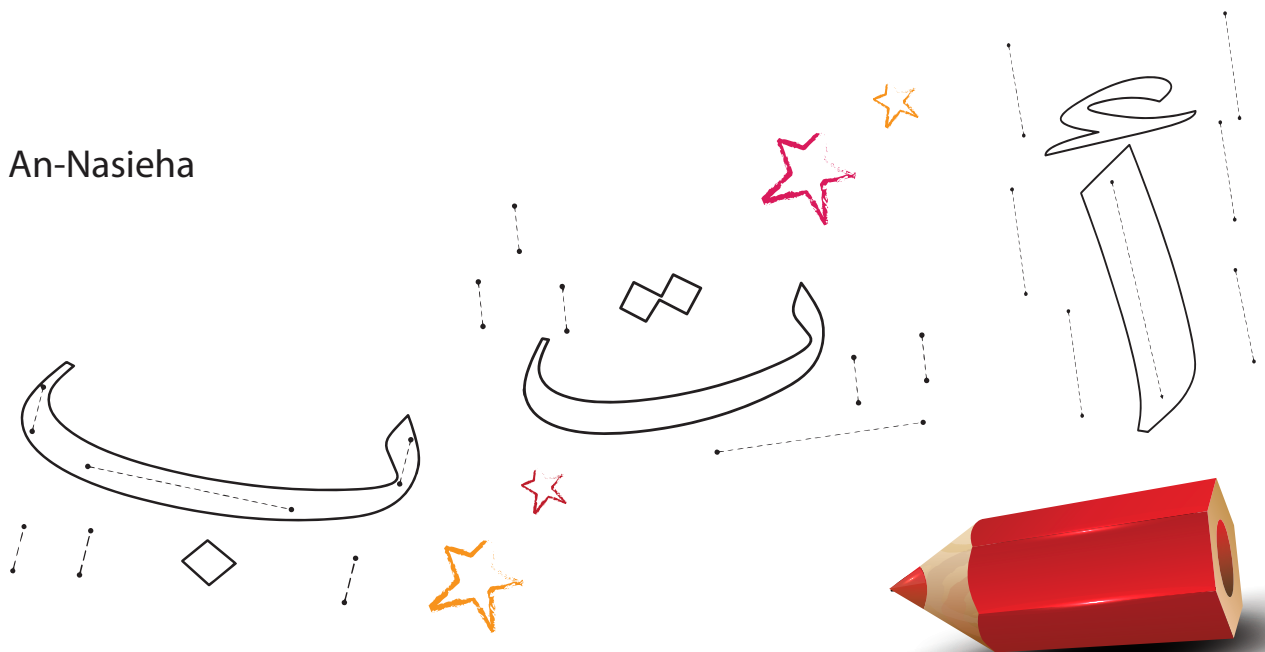

Alle lof is aan Allaah de Heer der werelden en de salaam en salaam over Zijn dienaar en Boodschapper Mohammed (ﷺ). Vervolgens:

Het leren van de Arabische taal begint in een vroeg stadium. Dit kleur- en werkboekje zorgt ervoor dat de kinderen alvast kennismaken met het Arabische alfabet en de letters en de vormen herkennen.

**Ten eerste** kleur je alle letters in, **ten tweede** kijk je goed naar elke letter en probeer je de vorm ervan te tekenen, een lijn, een boog, een cirkel..., **ten derde** vind je achteraan de meeste vormen afgebeeld met de letters en kan je hier meer op oefenen. Kan je goed cirkels en lijnen trekken en herken je de letters al een beetje, dan begin je aan het volgende werkboekje.

Wij vragen Allaah de meest Verhevene om de ouders succesvol te maken in het opvoeden van hun kinderen en hen samen te verzamelen in het Paradijs.
